Memorandum dated 9-23-64 revealed at the conclusion of the FBIRA Field Day and Picnic on the FBI ranges at Quantico on 6-13-64 his wife was injured when an unidentified child threw a toy parachute weighted by a marble into the main helicopter rotor which then ricocheted and hit Mrs. Bledsoe in the left arm. It was determined her arm was fractured above the elbow. Hospitalization was required at Quantico for five weeks and subsequent to that time Mrs. Bledsoe had been under the care of her personal physician. Every possible assistance was afforded her during her hospitalization and subsequent thereto. All medical bills which have been presented to SAMBA have been paid in full. These included \$1,383 to the Naval Hospital at Quantico and \$32.50 for X rays since she left Quantico. By memorandum dated 9-22-64 it was noted/while she did not yet have full use of her arm she continued to undergo therapy. Her doctor had advised that the arm had not mended properly and was permanently bowed. He concluded her arm would never be completely straight and there would always be surface evidence of the injury. However, he felt that she would retain full use of her left arm. SA Bledsoe advised this situation had caused his wife much concern and after careful consideration of all factors involved she had consulted an attorney and in his opinion, Mrs. Bledsoe had a valid Tort Claim and he set the minimum acceptable settlement of \$9,000. Bledsoe had no agreement with the attorney whatsoever and no legal action had been instituted. He desired that the Bureau consider the extensive surgery, treatment and convalescence together with the attendant expenses and the fact that her arm was permanently injured, and that the Bureau arrive at a decision concerning the awarding to Mrs. Bledsoe of \$9,000 in this matter. This situation was discussed hypothetically with the Chief of the Torts Section in the Department and he felt that the matter would be a proper subject under the Federal Tort Claims Act.

It was noted that this accident occurred during an FBIRA activity to which an admission charge was made. The FBIRA did not have any insurance to cover such accident nor did it have funds to pay any such claim as that proposed by Mrs. Bledsoe. Although the accident occurred on a Marine base and Marine Corps property was involved, the area was then under FBI control and the Marine property was there at FBI invitation. Under the circumstances it appeared that any liability would rest with the FBI rather than with the Marine Corps. As we were guests of the Marine Corps at Quantico it would appear to be in our best interests for any formal claim to be made against the FBI rather than the Marine Corps. At this time she had not made any claim against the FBIRA and it did not appear that the FBIRA should be expected to assume any liability such as the \$9,000 claim mentioned above.

By memorandum dated 9-23-64 it was recommended that SA Bledsoe be advised that the Bureau had neither the funds nor the authority to pay Mrs. Bledsoe's claim; that if she persisted in making a formal claim it would be necessary for her to file civil suit in Federal court as any other individual since amounts in excess of \$2,500 cannot be handled administratively by the Department of Justice. The Director noted "OK. & let him

do his own digging for facts. We are to render no assistance of any kind." It was also recommended that the annual FBIRA Field Day and Picnic at Quantico be discontinued. The Director noted "Yes. No more groups except regular agents in training & National Academy men in training are to go to Quantico. It is to be "off limits" to all others including FBIRA Field Day & Picnics, ex Agts picnics & to be used only for official training. It is to be closed to any visiting police officers & any VIPs from abroad."

On 9-26-64 SA Bledsoe was advised that the Bureau had neither funds nor authority to pay his wife's claim. He stated that the amount mentioned represented a cost item arrived at by projecting additional expenses necessary for treatment over the life span of his wife. He stated his wife was not seeking damages or profit from the injury she sustained. The Director noted "This I seriously doubt."

His daily average overtime for September, 2 hours 12 minutes; October, 2 hours 27 minutes; November, 2 hours 6 minutes.

By letter dated 11-16-64 he was COMMENDED through Mr. Casper for his participation in the recent Specialized In-Service Schools on Fugitive Matters.

On 12-6-64 he received a Within Grade Increase to \$12,915 per annum in GS-13.

By letter dated 1-6-65 he was ORDERED UNDER TRANSFER to the Tampa Office' to fill the need for an agent in that office.

By letter of 12-29-64 appreciation was expressed to him for his letter of 12-21-64 complimenting the Director on his approach in advising the public of the Bureau's jurisdiction and the Director's views.

His daily average overtime for December, 1964, 2 hours 27 minutes.

In connection with his transfer to Tampa, SA Bledsoe asked to see the Director and the Director indicated he would have to see Mr. Mohr. Mr. Mohr saw him on 1-11-65. Bledsoe stated that he wanted to see the Director to pay his respects to assure the Director of his sincere aspirations to advance administratively in the Bureau. He said he wanted the Director to know that his transfer to Tampa was a serious blow to his aspirations and that he hoped that he could be continued for administrative advancement. He also advised that his wife was still under medical care and therapy and there was a good possibility that it would be necessary for her arm to be broken again and reset in order to correct a permanent bend in the arm which limited mobility. He said his wife did not have control over her arm at that time but she had complete

confidence in her doctor and hoped that he could correct her condition. He said his wife's arm was shattered into nine pieces and the flesh was torn away and that quite a bit of surgical work was necessary to repair the arm. He said that he hoped that the Director would consider his situation and permit him to remain in his present assignment so that he could advance administratively.

Mr. Mohr asked him what the status of his wife's claim against the Government was and he said that his wife had not planned any suit and that she did not plan any further action after he told her of the Bureau's decision that the FBIRA could not reimburse her for the damages she might sustain in the future. It was pointed out to him that it would be most embarrassing for the Bureau for his wife or himself to file a Tort Claim which might involve the Marine Corps since we occupy Quantico as guests of the Marines. He said there was never any intent on his part or on the part of his wife to bring suit against the Government and he nor his wife would do anything to embarrass the Bureau or the Marine Corps. He made it clear that his wife never employed an attorney to initiate legal action and had no thought of doing so.

From 1972 to 1975, my wife and I were socially and athletically acquainted with LEIF LEIFLAND, Minister of Sweden to the United States and his wife, while in the Washington, D.C., area. At that time, he was the highest ranking Sweden diplomat in the United States. He is presently an official of the Foreign Ministry of Sweden and is in Stockholm. He is multilingual. I dictated a memorandum regarding LEIF LEIFLAND captioned, "LEIF LEIFLAND, MINISTER OF SWEDEN TO THE UNITED STATES," dated 3/28/73, which should be on file at Headquarters.

From September, 1972, to May, 1975, I was on the FBI Academy faculty in Quantico, Virginia. My professional responsibilities included, in part, instructing foreign intelligence and law enforcement officials in various professional topics. These responsibilities caused me to be in professional and social contact with representatives of the British, Canadian, Dutch and German embassies, Washington, D.C. As a result, I maintain professional and social contact with various foreign intelligence, police and military officials.

VI. Comment on Agent's Career Route and Goals

- (a) How realistic are the career goals? Are they compatible with your views of the Agent's capabilities?

Experience, knowledge, loyalty and enthusiasm.

- (2) Development Needs (In addition to job qualification needs, comment here on such things as personality traits, personal habits, etc. where you feel Agent would benefit from improvement).

ADDENDUM

Answer to Question I (e)

On my own time I exercise and jog several miles daily to maintain physical stamina requirements necessary to execute SWAT assignments for which I have been trained.

In addition, on my own time and at my personal expense, I began working for a Master of Arts in Human Resources Management degree in the Fall of 1974. In the Spring of 1976, I completed all course requirements, became a candidate for the Graduate Degree Comprehensive Examinations, took the examinations in April, 1976, and matriculated in August, 1976, at which time the Master in Arts Degree was conferred upon me. The following is the academic curriculum completed:

<u>Course Title</u>	<u>Final Grade</u>
Advanced Administrative Management (George Washington University)	A
Human Behavior in Organizations (George Washington University)	A

The following courses were taken through the Pepperdine University in California:

<u>Course Title</u>	<u>Final Grade</u>
Organization and Management of Public and Community Organizations	A
Managerial Psychology: Individual and Group Behavior	A

Pepperdine University afforded me six graduate academic units due to my prior attendance and graduation from FBI Academy upon being appointed an Agent of the FBI and for additional training afforded me (In-Service) at the FBI Academy, Quantico, which is accredited by the University of Virginia.

In the Spring of 1975, I volunteered to return to the Field as a Field Supervisor under the Career Development Program. The experience obtained from this assignment is beyond value. A recent assignment as a Field Supervisor should be absolutely mandatory for any Agent being considered for managerial advancement within the FBI.

Mr. Daniel Francis Bledsoe

The following pertains to the former employment in the Federal Bureau of Investigation of captioned individual.

Daniel Francis Bledsoe, SSAN 572-22-7791, was appointed a Special Agent of the FBI on March 14, 1955, and served in that capacity until his honorable retirement on December 15, 1980. During his career, he served in several offices, including the San Diego FBI Office from June 17, 1975, to December 15, 1980.

His services were satisfactory and nothing was known which would reflect unfavorably on his character during the period of employment with this Bureau.

During his tenure as a Special Agent of the FBI, he was given annual medical examinations and he was authorized to carry a firearm. This individual participated in periodic firearms training and he continuously qualified to carry a weapon.

The FBI cannot attest to the present medical fitness and firearms proficiency of this former Special Agent. However, based on his performance during his FBI service, the FBI concurs that he should be granted the privilege of carrying a concealed firearm in accordance with California Penal Code, Section 12027, paragraph (i) as amended.

SUBJECT: CHINESE LANGUAGE SCHOOL

DATE: March 4, 1960

REMOVED FROM FIELD
PERSONNEL FILE
67 - NOT RECORDED

Re SAC letter 60-128) dated February 23, 1960.

I hereby volunteer to be considered for the Chinese Language School in either the Mandarin or Toyshan dialects.

I have no background in the Chinese language; however, I have had training and daily practice in an allied Oriental language, Japanese. From August, 1950, to December, 1951, I served in the Orient while on active duty in the United States Marine Corps. A portion of this tour of duty, from April, 1951, to December, 1951, was served in a garrison at Otsu, Japan. While at Otsu, I was assigned to the legal office and was responsible for investigations in which the Marine Corps was a party in interest. These investigations necessitated daily contact with the Japanese people. I voluntarily enrolled in a conversational Japanese language course at the nearby Kyoto University, Kyoto, Japan, during the spring of 1951. The course was taught during the evening and no academic credit was afforded participants. This language training enabled me to conduct daily interviews without any difficulty. I did not become sufficiently proficient to discuss technical and philosophical topics.

In order to further my interest in Oriental languages, I enrolled during October, 1958, in a Japanese language class taught during the evening by the downtown branch of the University of Chicago, Chicago, Illinois. Participation determined the objective of the course was to afford students sufficient knowledge so as they may do research in classical literary Japanese. I withdrew because this phase of the language would be of no value whatsoever to the Bureau.

In addition, I have had training in the

Spanish language while a high school and college student.
At Bureau instruction, I took the Spanish language examination during September, 1959, and achieved a grade of 97.

I sincerely desire to make the FBI my lifelong career, and based upon my personal background, I feel my greatest contribution to a specialized phase of Bureau work is in the language field. Therefore the Bureau is requested to consider me, based upon the greater needs of the service, for training in either the Chinese or Spanish language fields.

In accordance with the referenced SAC letter, the following additional information is set forth in outline form:

Language Background - Information set forth above
Scholastic Achievement - Information set forth above
Availability - SA BLEDSOE is available for transfer
Initiative - Information set forth above
Physical Fitness - SA BLEDSOE is in excellent health and is not limited in any manner
Reserve Status - All military service obligations have been met

Reference is made to SAC Letter No. 60-12 (B) dated 2/23/60.

Please find attached a resume sheet on each Special Agent assigned at Chicago who has volunteered for foreign language training. There are 18 Special Agents, 15 of which are being recommended.

It is noted that seven of these Special Agents are Special Agent Accountants and all are assigned to the Accounting Squad in Chicago. If all or a substantial portion of these Special Agent Accountants are chosen for such training, it would be absolutely essential that they be replaced in kind.

Similarly, if the other Special Agents who volunteered are chosen, replacements would be required.

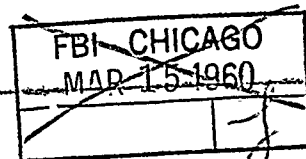

Nineteen copies of the cover letter are forwarded with two copies of the individual summary sheet on each Agent for the Bureau's convenience in filing and considering these volunteers.

Please accept my sincere appreciation and commendation concerning the manner in which you handled your assignment in connection with the recently completed move of the Chicago Office to its new space.

Your assignment required considerable overtime on your part, and the manner in which you handled it under the pressure of the massive move of equipment to the new location was in no small part responsible for the overall success of the move.

Please know that your excellent work is truly appreciated.

CHICAGO OFFICE
FOREIGN LANGUAGE PROGRAM

REMOVED FROM FIELD
PERSONNEL FILE
67 - NOT RECORDED

On September 23, 1960, SA BLEDSOE was interviewed and advised he is readily available for foreign language training in either the Toyshan dialect in Chinese or the Spanish language. SA BLEDSOE is sincere in his desire for foreign language training and fully intends making the FBI his career.

A review of SA BLEDSOE's personnel file disclosed that during May, 1960, BLEDSOE in the presence of SAC J. M. LOPEZ was afforded the U. S. Army's foreign language aptitude examination. During June, 1960, the Bureau by letter requested the SAC at Chicago to determine whether SA BLEDSOE was available for training in the Polish language field. In that the Bureau expressed an interest during June, 1960, apparently SA BLEDSOE obtained a qualifying score on the foreign language aptitude examination.

SA BLEDSOE weighs 165 pounds, is 5' 10 $\frac{1}{2}$ " tall, with a large frame. He meets the Bureau's desirable standards. During the past 6 months (March, 1960, to August, 1960) BLEDSOE has been over the office overtime average four out of six months. SA BLEDSOE during the same six month period has been over the squad average in cases closed. He has been delinquent in but three cases during the same six month period.

SA BLEDSOE is available for general or special assignment, is in good health and has no personal problem which would preclude participation in the language program.

SA BLEDSOE owns a house in a suburb of Chicago and would desire to be advised at the earliest opportunity of any transfer to a language school in order to have enough time to sell his home.

I recommend SA BLEDSOE for serious consideration in the Bureau's foreign language program.

I am especially pleased to commend, through you, the agents of the Chicago Office, who participated in the investigations of two Bank Robbery cases involving Joseph D. Astramsky.

The success achieved in the solution of these cases can be ascribed in a material degree to the unusually devoted, alert and resourceful manner in which these men discharged their responsibilities. Dear Roger:

We have suffered through a terrible tragedy that will etch scars in our beloved community for many years to come. Let us resolve and pray that San Diego will never again have to endure such a holocaust.

But what undoubtedly brought the darkest moment in our city's 209-year history, also generated its finest professional and compassionate response. Police and fire units, hospital and other public agencies and numerous private organizations responded with clockwork precision to the ghastly emergency forced by a September 25 midair collision over our city.

Citizens of all walks of life offered their services, goods, even their homes, to somehow lessen the trauma to those families and friends so tragically affected by this terrible disaster.

This was indeed San Diego at its finest -- people offering to help in the best way they could.

There are those in our community who deserve special recognition for a job done magnificently -- extraordinary actions simply beyond the call of duty. Likewise, organizations from neighboring communities responded most nobly and deserve a special word of thanks.

The efficiency, responsiveness and professionalism displayed by the Federal Bureau of Investigation's San Diego Office illustrates the kind of "Spirit of San Diego" that was so amply displayed during San Diego's darkest hour.

There is really no adequate way to thank you. San Diego will forever owe you a debt of gratitude.

Sincerely,

PETE WILSON

I respectfully desire to continue participating in the Career Development Program. My professional goals are the same as set forth in the Career Development Summary (FD-477) dated 3/16/77. To minimize the number of moves and the stress resulting therefrom on family members, I would far prefer to remain as a Field Supervisor in San Diego, and perhaps be considered for promotion to ASAC rather than again relocate to Headquarters and then be considered for an ASAC appointment at some future date.

As you are aware, the Director's visit to San Diego was extremely successful in all aspects. Although we kept him very busy while he was here, he did get a chance to see San Diego in action and I know by his comments that he was very much impressed by what he heard and saw

There is no way that I can single out each of you who performed so admirably during the visit to insure its success, but I did want you to know how much I appreciate all that you did for the San Diego Division. It took a coordinated effort by dozens of people to let us touch so many bases while he was here, and even though we're glad the pressure is now off, it was a meaningful and happy experience. I personally thank each and every one of you for your help in making the occasion so memorable.

VI. Comment on Agent's Career Route and Goals

Answer to Question I (e)

On my own time I exercise and jog several miles daily to maintain physical stamina requirements necessary to execute SWAT assignments for which I have been trained.

In addition, on my own time and at my personal expense, I began working for a Master of Arts in Human Resources Management degree in the Fall of 1974. In the Spring of 1976, I completed all course requirements, became a candidate for the Graduate Degree Comprehensive Examinations, took the examinations in April, 1976, and matriculated in August, 1976, at which time the Master in Arts Degree was conferred upon me. The following is the academic curriculum completed:

Advanced Administrative Management (George Washington University)	A
Human Behavior in Organizations (George Washington University)	A

The following courses were taken through the Pepperdine University in California:

Pepperdine University afforded me six graduate academic units due to my prior attendance and graduation from FBI Academy upon being appointed an Agent of the FBI and for additional training afforded me (In-Service) at the FBI Academy, Quantico, which is accredited by the University of Virginia.

In the Spring of 1975, I volunteered to return to the Field as a Field Supervisor under the Career Development Program. The experience obtained from this assignment is beyond value. A recent assignment as a Field Supervisor should be absolutely mandatory for any Agent being considered for managerial advancement within the FBI.

Dear Dan:

Spending last Thursday at the FBI Academy was very inspiring and reassuring for this good old United States. First, thank you for spending your valuable time with me, which I appreciate very much.

You are to be congratulated on the wonderful morale at the Academy in spite of the news media trying to give a false impression of your fine work.

I was greatly impressed and hope I have another opportunity for a return visit.

As I mentioned, there are certain things your Academy does which I think would assist my friends running the United States Military Academy. On my next visit to West Point, I will tell them about my visit and inform them of your kind invitation to visit your Academy.

Thank you so much for a wonderful day.

SA [] who is in charge of our gymnasium facilities in the Justice Building, has been off for an extended period of time with hepatitis and recent reports indicate his condition is not improving as it should. It would appear that he will be reentering the hospital for additional tests and possibly even an operation. It is not believed that he will return to work before the end of the summer.

With SA [] absence, the gymnasium is being operated by [] a GS-5 clerical employee, and another individual who is merely a caretaker handling the cleanup of the facilities. b6 b7C

It is not felt that this is a healthy situation. While [] is a very capable individual, it is felt that there are numerous problems which come up from time to time which exceed his responsibility, particularly inasmuch as we do have Departmental officials using the gymnasium from time to time. It should be recalled that we just recently had a problem with a female attorney in the Department who insisted on using the facilities, was refused and apparently has filed some sort of discrimination complaint with her superiors. It is therefore felt that we must have an Agent to oversee the gymnasium, as well as someone to run the gymnasium in [] absence.

While manpower is indeed tight in the Training Division at this time and particularly at the Academy, we feel that SA Daniel F. Bledsoe should be temporarily assigned to overseeing the operation of the gymnasium facilities at the Justice Building. SA Bledsoe is currently assigned to the Institutional Research and Development Unit, with primary responsibilities for research and the handling of all tours. The temporary reassignment of SA Bledsoe will necessitate spreading his current work to other individuals, with tour responsibilities being taken over by SA [] Chief of

SA Bledsoe is in excellent physical condition, has had SWAT training, and prior to his present assignment was a New Agents' counselor-instructor, where he did assist in physical and defensive tactics training with the classes. It is believed that he could fulfill the functions at the uptown gymnasium during this temporary period. SA Bledsoe has been consulted as to the possibility of handling this assignment and is completely agreeable in that it will work no hardship on him because he lives in Chevy Chase, Maryland, and his drive to work will be less than half of what it is now.

RECOMMENDATION:

That SA Daniel F. Bledsoe be temporarily assigned to our gymnasium facility in the Justice Building until such time as SA [] can return to work.

Dear Mr. Kelley:

My family and I wish to take this opportunity to express our appreciation for the tour of the F.B.I. headquarters, Wash., D.C. afforded to us July 2, 1974. We were especially appreciative for the very excellent tour of the new F.B.I. academy at Quantico, Va., on July 3, 1974, arranged through the Special Agent in Charge there, [redacted]

We were shown those fine new facilities by Special Agent Dan Bledsoe whose warmth of personality, informative discussions and obvious high competency assured our visit to the Academy as being the outstanding highlight of our trip to the Washington area. We were greatly impressed and are very proud that the F.B.I. now has an academy facility of such quality.

Sincerely,

Dear Joe:

You were a most congenial host and I want to thank you again for giving me the opportunity to visit the Academy. I was most impressed with everything I saw and I want to especially commend Dan Bledsoe, who was a superior guide. You can be proud to have men of Dan's caliber on your staff.

I enjoyed the lunch tremendously and hope we can do it again in the not too distant future.

In the meantime, please do not hesitate to call on me if you feel I can be of help with advice that would improve the relationship between the press and the FBI.

IMPORTANT INFORMATION FOR EMPLOYEE

NOTICE TO RETIRING EMPLOYEE

As a retired employee, your regular life insurance (not accidental death and dismemberment) will be continued without cost to you, provided:

- You do not convert to an individual policy of life insurance; and
- You retire with 12 or more years' creditable service of which at least 5 years are civilian service, or on account of disability; and
- You retire on an immediate annuity.

Your optional life insurance, if you have any (not accidental death and dismemberment), may also be continued, provided:

- You do not convert it; and
- You continue your regular insurance; and
- You have had optional insurance from the time it first became available to you; and
- Your monthly annuity is sufficient, after all other deductions, to pay the full cost; and
- You continue to pay the full cost until you reach age 65 (the cost will be deducted from your monthly annuity check).

Your life insurance as a retired employee will be reduced by 2% each month beginning at age 65 or at retirement, whichever is later. The maximum reduction is 75%.

You may, if you prefer, convert your insurance to an individual life insurance policy in an amount not to exceed your combined regular and optional insurance. Or you may continue your regular insurance free after retirement, if eligible as described above, and convert only your optional insurance. Your employing office will instruct you on the procedure to follow if you want to convert only your optional insurance.

If you are eligible to continue your life insurance as a retired employee, your employing agency has been instructed to attach the ORIGINAL of this form to your application for retirement unless you prefer to convert your regular insurance to an individual policy.

If you receive the ORIGINAL copy of this Certification after you file your application for retirement, and you do not want to convert your regular insurance to an individual policy, forward the ORIGINAL as soon as possible to the agency or office which administers your retirement system.

Keep the DUPLICATE copy for yourself. You will be notified by the Civil Service Commission of your insurance rights.

DEATH WITHIN 31 DAYS

Under certain conditions, life insurance is payable if death occurs within 31 days after an employee's group insurance terminates, even though the employee had not applied for conversion. If death occurs within this period, further information concerning possible benefits should be obtained from the agency named in item 9 above.

INSTRUCTIONS TO EMPLOYING AGENCY

COMPLETION OF CERTIFICATION

1. This Certification must be completed in triplicate whenever an employee's insurance terminates for:
 - a. Death.
 - b. Retirement on an immediate annuity with 12 or more years' creditable service, of which at least 5 years are civilian service, or on account of disability. (An immediate annuity is one which begins to accrue not later than 1 month after the date the insurance would normally cease.) In a disability retirement case, do not complete SF 56 until a finding of disability has been officially made and the employee's separation is in order.
 - c. Completion of 12 months in a non-pay status or separation, and the employee is receiving benefits under the Federal Employees' Compensation law, and held unable to return to duty.
 - d. Any other reason, if the employee desires to convert his life insurance, except under the following circumstances:
 - (1) Employee waived or declined on SF 176 (or SF 176-T);
 - (2) If it is known that, within 3 calendar days after the date the insurance terminated, the employee will return to Government service in the same or another position in which he will be eligible to reacquire Federal Employees Group Life Insurance;
 - (3) More than 75 days have elapsed from the date insurance terminated unless specific request is made therefor by the Civil Service Commission or the Office of Federal Employees Group Life Insurance.
2. If insurance terminated on account of death, indicate in item 3(a) whether the employee had filed an Application for Retirement (SF 2801) with the Civil Service Commission.
3. In item 8, give date of Notice of Conversion Privilege (SF 55), except that if this form (SF 56) is issued in lieu of SF 55, give current date. In case of death, leave this item blank.
4. It is important whenever a duplicate SF 56 is issued to replace one which has been lost, that it be clearly marked "DUPLICATE".

DISPOSITION OF CERTIFICATION

1. Death of employee—
 - a. Send duplicate of SF 56 immediately to the Office of Federal Employees' Group Life Insurance.
 - b. Keep the original (preferably in the Official Personnel Folder or its equivalent) for attachment to a claim for death benefits (Form FE-6) when received.
 - c. If no claim is received, send original SF 56, upon request, to the Office of Federal Employees' Group Life Insurance.
 - d. If the deceased employee has a current Designation of Beneficiary (SF 54) on file, the SF 54 must be attached to the original SF 56 when it is sent to the Office of Federal Employees Group Life Insurance.
2. Retirement of employee—
 - a. If the employee is applying for an immediate annuity with 12 or more years' creditable service (of which at least 5 years are civilian service) or for disability, attach the original SF 56 and current Designation of Beneficiary (SF 54), if any, to the Application for Retirement and give duplicate of SF 56 to the employee. NOTE: In a disability retirement case where the retirement application was already sent to the Civil Service Commission, attach the original SF 56 (and SF 54, if any) to the FINAL retirement record (SF 1806).
 - b. If the employee wants to continue only his regular insurance, have him complete a SF 176 declining his optional insurance. If he wants to convert only his optional insurance, prepare a statement (see below), in duplicate, for him to sign, attach both copies of the statement to the original SF 56, and submit with application for retirement as instructed in 2a above.

Illustrative statement:
"I want to continue my regular insurance after retirement but would like additional information on converting my optional insurance."

(Employee's signature)

(Address—print or type)

(Date)

- c. If the employee prefers to convert both his regular and optional insurance to an individual policy, give him the original and duplicate copy of the SF 56. Retain SF 54, if any.
3. If employee is receiving compensation benefits—
 - a. Before marking item 7, contact the local Bureau of Employees' Compensation Office, if necessary, to confirm whether the employee will have individual insurance.
 - b. Have the employee indicate appropriate box on reverse side of the original SF 56. Send original SF 56 and current Designation of Beneficiary (SF 54), if any, to the U. S. CIVIL SERVICE COMMISSION, BUREAU OF RETIREMENT, INSURANCE, AND OCCUPATIONAL HEALTH, WASHINGTON, D. C., 20415, and give duplicate copy of SF 56 to the employee.
 - c. If the employee prefers to convert his group insurance to an individual policy, give him the original and duplicate copy of the SF 56. Retain SF 54, if any.
4. All other cases—

Upon request, give the employee the original and duplicate copy of the SF 56 or mail them to him.
5. In all cases—

Retain file copy of the SF 56 in the employee's Official Personnel Folder or its equivalent.

PROMPT CERTIFICATION REQUIRED

The time in which an employee may convert his group life insurance to an individual policy is limited. This SF 56 must be completed and delivered or mailed to him promptly.

INSTRUCTIONS FOR EMPLOYING OFFICES

Complete this form upon separation (and conversion to or from an appointment under the Civil Service Retirement System) to provide a cumulative record of creditable service for Civil Service retirement.

Items 1-3 Must agree with SF-50.

Item 4 Number statements in consecutive order.

Item 5 Use FPM Supp. 831-1, Retirement, S-3, Creditable Service, to determine the length and creditability of periods of service. All entries are to reflect verified service documented in the employee's Official Personnel Folder (OPF). If the previous civilian service or military service sections do not apply to the employee, enter "none"; do not leave blank.

Item 6 Complete only for separations and conversions from positions subject to Civil Service retirement deductions, checking the appropriate box as follows: (*Only one box is to be checked*).

None—Check if the employee transfers to another position subject to the Civil Service Retirement System.

Refund Only—Check if the employee fails to meet either of the two general requirements for retirement upon separation: (A) 5 years total civilian service and (B) at least one year of service subject to the Civil Service Retirement System in the two year period preceding the separation ("*one of two*" rule)

Deferred Annuity or Refund — Check if the employee, at separation, meets both of the general requirements for retirement but does not meet any of the sets of conditions for immediate annuity opposite.

Immediate Annuity — Check if, at separation, the employee meets both of the general requirements and any of the sets of conditions for immediate annuity shown opposite.

Minimum Age	Minimum Service (Years)	Special Requirements
62	5	None
60	20	None
55	30	None
Any age	25	Separation must be involuntary without cause or during a major reduction in force as determined by the Civil Service Commission.
50	20	
Any age	5	Total disability; "one of two" rule, above, does not apply.

Item 7 Explain any difference between the amount of creditable service entered for a period of service and the calendar time represented by the "From" and "To" dates entered for the same period, i.e. Excess LWOP, Intermittent Service, or "Time Lost" during military service. Also use this section to clarify any other entries on the form. For example, if the employee had two periods of military service enter "See Remarks" and the amount of total military service in Section 5C and enter the dates of military service under Remarks.

Item 8 The employee is to review and sign the forms during the exit interview or at some other convenient time prior to actual separation. If the employee's signature is not obtained before actual separation, the employee and OPF copies of the form are to be forwarded to the employee for signature. The control copy is to be filed on the right-hand side of the employee's OPF. The material sent to the employee is to include a letter of transmittal which instructs the employee to sign and return the OPF copy and a franked envelope with the agency's return address. If the employee fails to return the OPF copy, the control copy will be retained in the personnel folder. If the OPF copy is returned or if the employee's signature is obtained before separation, the control copy may be discarded.

Items 9-11 The completed forms are to be signed by an authorized agency personnel official, including title, agency name, bureau, division, and mailing address.

NOTE: A current copy of this form is to be filed on the right-hand side of the employee's Official Personnel Folder whenever the folder is transferred between agencies or from an agency to the Federal Records Center, regardless of nature of agency, type of appointment, or reason for separation.

APPLICATION

☒ The "Application for Retirement" will be forwarded by the Bureau to the Office of Personnel Management (OPM) for processing.

DEPOSIT OR REDEPOSIT

Making either a deposit or redeposit is optional. Such amounts are paid directly by you to OPM; therefore, it is possible that you have already made the deposit or redeposit indicated below without the Bureau's knowledge, having dealt directly with OPM. If so, you may ignore this matter now. If not, after a review of the approximate annuity figures shown below, should you decide to make a deposit you should submit a note over your signature to be attached to your Application for Retirement (Standard Form 2801) requesting amount due and you will be given the opportunity to make a lump-sum payment before completion of retirement processing by OPM. An applicant for retirement is automatically given an opportunity to make a redeposit at the time the application for retirement is processed by OPM. OPM desires that an employee not file an Application for Deposit or Redeposit (Standard Form 2803) if retirement is contemplated within six months.

☒ Not applicable.

☐ The deposit you may owe is a payment to the retirement fund to cover a period of service during which no retirement deductions were withheld from salary. Credit is given for service not covered by deductions; however, if the deposit is not paid, your annuity will be reduced each year by 10% of the amount due as deposit. The amount you may owe is approximately \$ _____.

☐ The redeposit you may owe is a payment to the retirement fund to cover a period of service for which retirement deductions were withheld from your salary but later refunded to you following your separation from civilian employment. No credit is allowed in the computation of annuity for the period of service covered by the refund unless redeposit is made. The amount you may owe is approximately \$ _____.

ANNUITY

Annuities are computed on full months of service. The estimated annuity below is based on your ☒ Bureau service, including 0 years, 10 months, 2 days of accrued sick leave, ☒ other civilian Government service and/or ☒ military service known to us, totalling 26 years, 1 months, 24 days. OPM makes the official computations and determines whether prior service is creditable, advising you direct the exact amount of your annuity. The figures below are only estimates, and they do not take account of deduction for health insurance coverage. You should receive the first annuity check about 2 months after separating from the Bureau's rolls. Separation for disability retirement cannot be made final until OPM has notified FBI of the approval of your application.

plus annuity for each eligible child.

SEPARATION FROM ROLLS

Since you ☒ will cease active duty ☐ ceased active duty on 12-15-80 your annuity will commence 12-16-80immediately following the ☒ cease active duty date or ☐ expiration of sick leave on _____earned through _____. Item B2 on application ☐ changed to ☐ should be changed to close of business

_____. If sick leave was or will be used by you, this may change the effective date of your retirement and shorten your total length of service.

☐ If retirement is for disability, separation takes effect after the approval of OPM is received by the Bureau or after the expiration of any accrued sick leave, whichever occurs later. Under Internal Revenue Service regulations, some sick pay and disability income is not taxable; thus, you may be able to exclude from Federal income tax liability all or a part of the payments you receive for sick leave used prior to the date your annuity commenced, as well as for annuity received as a disability annuitant. Any such exemption would terminate when you reach normal retirement age. Thereafter, this annuity would be Federal income tax-free until you had drawn as annuity an amount equal to the retirement deductions from your salary while you were working. OPM will advise you of this amount.

☒ If retirement is not for disability, the "sick pay" exclusion is not permissible. Once you have received in annuity as much as was deducted from your salary for retirement purposes, you are subject to Federal Income Tax on the rest. OPM will advise how much was deducted. Only if you were incapacitated and were granted extended sick and/or annual leave for sick leave exceeding thirty calendar days prior to separation for retirement might you qualify for a "sick pay" exclusion for the leave period.

☒ Questions you may have as an annuitant regarding your income tax liability or privileges can be answered by the Internal Revenue Service. Internal Revenue Publication, Comprehensive Tax Guide to U.S. Civil Service Retirement Benefits, may be of assistance to you. There is a tax credit for the elderly. The credit is figured on Schedules R & RP. You may claim this credit if you are age 65 or older, or if you are under age 65 and receive a taxable pension or annuity from a public retirement system, you may be eligible for a credit. Note: You are required to file a Federal gift tax return, Form 709, if you elect a reduced annuity with benefit to surviving spouse. In the usual case it is unlikely any tax will be payable; however, a tax return must be filed. The information you will require to file this gift return may be obtained by writing to the OPM, Post Office Box 989, Washington, D. C. 20044, after receiving your "Statement of Retirement Account" from OPM.

☒ You should send OPM over your signature any change in address, setting out your CSA (retirement) number.

☒ Following your separation date, you will receive a lump-sum payment for your accumulated annual leave in the approximate amount of \$ 7070. If it is necessary for you to use annual leave prior to your cease active duty date, the lump-sum payment you receive will, of course, be less. A deduction for Federal income tax has been made from this estimate.

***Based on 8-31-80 computation with the 7.7% cost-of-living increase that was effective 9-1-80, included; this is a greater annuity than that earned as of 12-15-80 and therefore, you do not receive credit for service from 9-1-80 to 12-15-80 for annuity earning purposes.**

FEDERAL EMPLOYEES' GROUP LIFE INSURANCE

- ☒ Records show you elected Optional Insurance of \$10,000 and have Regular Insurance of \$53,000.
- ☒ Records show you declined Optional Insurance but are covered by Regular Insurance of \$_____.
- ☐ Records show you waived both Regular and Optional Insurance.

You may continue your regular group life insurance coverage following retirement without further cost if you have completed 5 years of creditable civilian service and have been insured under the program for the five years of service immediately preceding retirement (or the date you become eligible for compensation benefits), or the full period(s) of service during which the regular life insurance was available to you, if less than five years, or you may convert your coverage to an individual life insurance policy without being required to undergo a physical examination. Conversion to an individual life insurance policy necessitates paying the usual premium for a person of your age and class of risk. If you decide to convert, the Bureau should be immediately advised. Otherwise, SF-56, "Agency Certification of Insurance Status," will be forwarded to OPM and a copy sent to you. If you elect to continue Regular Insurance coverage, such protection will continue premium free until you reach age 65. At that time coverage will be reduced 75% (at 2% per month) by the time you reach age 68 years and 2 months. The remaining 25% is also premium free for the remainder of life. Optional Insurance of \$10,000, if continued after retirement, will be at full premium cost until you reach age 65. Thereafter, it is cost free for the remainder of life and commencing at age 65 it will be reduced 75% at the same rate as Regular Insurance. The premium cost of Optional Insurance varies as to age. Optional Insurance may be continued after retirement if you continue to pay for it until age 65 provided you keep Regular Insurance. To retain the Optional Insurance requires no action, OPM will deduct the cost from your annuity. You must have had Optional Insurance for 5 years immediately before your retirement (or the date you become eligible for compensation benefits), or if less than five years, for the full period of service during which it was available to you. Optional Insurance may be converted to an individual policy if you are not eligible to continue it or, if you do not wish Optional Insurance to be continued, you may waive coverage at any time by notifying OPM and still keep your Regular Insurance. Following retirement, accidental death and dismemberment benefits no longer exist for either Regular or Optional Insurance. ☐ You elected Optional Insurance on _____ . If you desire to convert the Optional Insurance, submit in duplicate a signed statement that you want to convert the Optional Insurance to an individual policy and wish to be informed how to do it.

Note: If the annuity of an insured retired employee is terminated under any applicable law or regulation, his/her regular and/or optional life insurance coverage stops on the date of such termination, with no conversion rights thereafter.

 - ☐ Special Agents Mutual Benefit Association (SAMBA) (See information below on SAMBA Life Insurance)

Unless you cancel your present health benefits enrollment, you will remain under your health benefits plan after retirement, and your enrollment will be transferred to OPM. The cost of your share of the plan will be deducted from your annuity by OPM.

Enrollment of an employee who dies while enrolled "for self and family" continues for the family if at least one family member is entitled to an annuity as the survivor. If the survivor annuitant is the only eligible family member, the retirement system will automatically change the enrollment to "self only."

The original of SF 2810, "Notice of Change in Health Benefits Enrollment," will be forwarded to you by the Bureau at a later date.

SAMBA LIFE INSURANCES - The Group Life Insurance you carry under SAMBA on yourself and dependents to age 22 will continue in force until 1-1 or 7-1 coinciding with or next following the date of your retirement providing you pay the premium semi-annually. However, if premium for this coverage is withheld by payroll allotment, the life insurance ceases as of the date your separation for retirement becomes effective, with a 31-day grace period. If you desire to continue the protection beyond this time, you may do so without a physical examination on you, your spouse, and children under age 22. At age 70 you can continue amounts carried prior to age 70 up to a maximum of \$10,000 on yourself and \$5,000 on your spouse. You may continue the Personal Accident Insurance at the same rates and amounts until you reach age 70 on you and your spouse and unmarried dependent children under age 22. Upon attainment of age 70, you may retain present coverage up to \$50,000 of the Personal Accident Insurance for yourself and your spouse until you reach age 75 with the cost being 18¢ per month per thousand. If you are enrolled under the Disability Income Protection (DIP) (Hospital Income Protection, Long Term Disability Benefit and Pension Supplement), you cannot continue this coverage unless you retire for disability. Benefits may be available under DIP for disability retirements. If you desire to convert or continue any of your present insurance coverages under SAMBA, you should, immediately or no longer than 31 days after retirement, write to SAMBA, Suite 750, 1325 G Street, Northwest, Washington, D. C. 20005. Upon retirement your premium cannot be withheld by payroll allotment and you will be billed on a semi-annual basis on January 1st and July 1st.

SPECIAL ACCIDENT AND TRAVEL INSURANCE (SATI) - The Group Life Insurance you carry under SATI on yourself and dependents to age 21 may be continued after retirement to age 55 with no change in premium or coverage. At age 55, your coverage will be reduced by 5% a year until you reach age 65 or if you retire at age 60, your coverage will be reduced by 10% a year until age 65. This coverage terminates at age 70. You may continue the Accidental Death, Dismemberment and Permanent Total Disability and the Accident Indemnification at the same rates and amounts to age 65 on you and your spouse and your unmarried dependent children from ages 1 to age 24 if residing with and wholly dependent upon you and regularly attending an accredited school or college. Upon attainment of age 65 you may only continue your present coverage of the Accidental Death and Dismemberment up to \$25,000 on you and your spouse until you reach age 75 with the cost being 19¢ per month per thousand. The Accident Indemnification cannot be continued after age 65. If enrolled under the SATI Retirement Savings Plan, you should contact Wright & Company regarding options available to you. If you are enrolled under the Long Term Disability (LTD) (In-Hospital Income, Salary Continuation and Pension Supplement), you cannot continue this coverage unless you retire for disability. Benefits may be available under LTD for disability retirements. If you desire to convert or continue any of your present insurance coverages under SATI, you should, immediately or no longer than 31 days after retirement, write to Wright & Company, Suite 1222, 1001 Connecticut Avenue, N. W., Washington, D. C. 20036. Upon retirement your premium cannot be withheld by payroll allotment and you will be billed on a monthly, quarterly, semi-annual or annual basis.

San Diego, California
November 14, 1980

Judge William H. Webster
Director
Federal Bureau of Investigation
Washington, D. C.

Dear Judge Webster,

Bledsoe, Daniel 4.
With regret, and with over 25 years as a Special Agent of the FBI, I request approval to retire, effective the close of business, Monday, December 15, 1980.

I selected December 15, 1980; however, due to legislation pending before Congress calling for diminished Federal retirement benefits, a date earlier than the above stated date may be more financially beneficial to me. The legislation is known as the Budget Reconciliation Act (HR 7765).

As you are aware, this legislation, if passed by Congress and signed by the President, will eliminate the "look back" feature of the Cost of Living Adjustment (COLA) increase in retirement annuities. Under no circumstances would I desire to remain on active duty beyond the effective date of such legislation and thereby lose the COLA "look back" applicable to my retirement annuity.

Please be advised that I presently have approximately 44 days of accumulated Annual Leave. I intended to request a lump sum payment. By retiring at the close of business of the first work day in the new (1981) calendar leave year, December 15, 1980, the lump sum payment would be made to me in tax year 1981 when I do not anticipate having any additional taxable income. Payment in 1981 would eliminate any federal income tax due on the lump sum payment. Should this lump sum payment be paid to me in tax year 1980 and added to my 1980 income, I would receive less than half of the dollar value of the leave. I am sure you understand my concern.

I plan to follow the pending legislation closely and will act immediately to declare my retirement intention if this bill becomes law prior to December 15, 1980. Should the effective date of the legislation be on or after December 15, 1980, then that is the date I wish my retirement to be effective.

TO WHOM IT MAY CONCERN:

RE: BLEDSOE, Daniel F.

Daniel Bledsoe is currently under my psychiatric care with the cooperation and assistance of his wife for a moderately severe depressive reaction precipitated, in large measure, by the stresses of his work, particularly over the past year.

While he is certainly capable of continuing to work in a competent and responsible manner, I have recommended that he accept reduced supervisory responsibilities until he has completely recovered from his depression or until such time as he reaches retirement age next year. In fact, it would be extremely detrimental to him not to be able to continue to work as an agent during this transition period prior to his retirement.

I anticipate that he will require some significant additional treatment on a regular basis over the next year.

Sincerely,

 PERSONNEL MATTER

Enclosed for FBIHQ is the original and 1 copy of a self-explanatory memorandum furnished to me on 11/19/79 by Supervisor DANIEL F. BLEDSON.

I have personally discussed this matter with Supervisor BLEDSON and I am certain that his concern for his health is genuine and sincere and that his treatment will be for an extended period. His responsibilities as a Supervisor are, indeed, continuous and demanding. Squad #4, currently supervised by Mr. BLEDSON, handles a large volume of applicant and civil rights cases which have short deadlines, and all reactive matters, including bank robbery, kidnap, air piracy, extortion, and other urgent priority matters. In view of his health, I consider Supervisor BLEDSON's request to be fully justified.

In view of the request by Supervisor BLEDSOE, I recommend the following action:

- 1) That Supervisor BLEDSOE be reallocated to GS-13 and assigned to non-supervisory duties.
- 2) That FBIHQ evaluate this matter in accordance with the Salary Retention Act (Public Law 85-737) in view of the fact that this particular action relating to Supervisor BLEDSOE appears to fall within the purview of that statute.
- 3) That the duties currently being handled by Supervisor BLEDSOE be immediately reassigned to appropriate personnel so that he can be relieved of the stressful conditions under which he is now assigned.
- 4) That FBIHQ select at the earliest possible time a supervisory replacement for the reactive squad in the San Diego Division.

PERSONNEL MATTER - HEALTH

From 6/25/75 to the present I have supervised Squad 4 in the San Diego Division. Squad 4 is the Reactive Squad responsible for conducting criminal and applicant type investigations. Since the inception of the Management By Objective concept, the Squad is responsible for six of the twelve programs; specifically, General Property Crimes, Personal Crimes, Civil Rights; Applicant, General Government Crimes and Fugitive Program. The nature of the assignment demands prompt and immediate response, especially in investigations wherein a hostage factor might exist. For an extensive period of time, the Squad has carried 61% of the San Diego caseload with 20% of the Division's Agent complement. The Supervisory assignment is a challenge for a dedicated, experienced Agent which I greatly enjoy.

The responsibility upon me, however, has had a price. I find staying in the present position has had an adverse effect upon my health due to stress. I am presently being treated by a ~~physician~~ ^{psychiatrist} and do not see a termination in obtaining professional help for the foreseeable future.

I, therefore, respectfully request reassignment to other duties within the San Diego Division commensurate with my professional background and experience.

PURPOSE: To recommend that Supervisor Bledsoe be reallocated from GS-14 to GS-13 with salary retention because of his inability to perform supervisory duties due to a medical condition.

DETAILS: By airtel dated 11/20/79, SAC San Diego enclosed a memorandum from SA Bledsoe dated 11/19/79. In this memorandum Bledsoe notes that he is under treatment of a psychiatrist and that the stress associated with his supervisory duties is aggravating his medical condition. Bledsoe requests reassignment to other duties. SAC San Diego concurs on this request and requests Bledsoe be reallocated to GS-13 so that he may be assigned investigative duties.

Under the provisions of Section 536.212(a)(4) of the Federal Personnel Manual (dated 2/23/79) salary retention may be extended to an individual who no longer meets a specific requirement of their position to include physical standards. Prior informal contact with the Advisory Service Section of the Office of Personnel Management has ascertained that it is their intention that this provision apply in instances in which an individual no longer meets the medical standards for their position.

RECOMMENDATIONS:

(1) That SA Bledsoe be reallocated from grade GS-14 to GS-13 and provided salary retention under the above cited provisions.
